IMPORTANT BILLING INFORMATION

FEES

Whenever payments are made in installments, a transaction fee is charged. To avoid this fee, sign up for Electronic Funds Transfer (EFT), which will automatically withdraw the monthly premium from your bank account each time a payment is due.

RETURNED PAYMENT

If payment is returned to us by your bank, we may add a returned payment fee of \$25.00 to your account. (Fee amount may vary based on state law.)

LATE FEE

If your payment is received after the due date, you may be subject to a late fee. (Fee amount may vary based on state law.)

PAYMENT TERMS

Do not deduct from the amount due for policy changes that are pending. Premium adjustments for the current term will be spread evenly over the remaining billing periods left in the policy. Prior term endorsement and/or adjustments will be billed/credited in full.

Your account balance is the total amount owed as of the invoice issue date shown. Any changes to your account that are not on this invoice will be reflected on future statements.

By payment of the premium due, the Named Insured accepts these billing provisions:

- Your payment will be applied to the premium due for the entire account. Alternate payment instructions will not be honored.
- Return premium for a policy change or cancellation of one or more policies in the account will be applied to the unpaid balance of the account. If there is no balance due on your account, a check will be issued for the amount of the credit balance.
- If the minimum due is not paid by the due date, all policies in the account will be subject to cancellation or expiration.
- Payment processing is an administrative function; therefore, if your payment is received after the date of cancellation, we reserve the right to process your check and return any unearned premium without obligation to reinstate your policies.
- When you provide a check as payment, you authorize us either to use information from your check to make a onetime electronic funds transfer from your account or to process the payment as a check transaction.
